## WHAT YOU DO:

WARNING: Mastering the grill, will automatically make you the most popular person in your current environment.

### STEP ONE: Fire Up the Grill

### STEP TWO: Prepare Beverage

- For Beer
  - Open'er up
  - Pour into a glass, if you're into that kind of thing...
- For Wine:
  - Open the bottle, insert straw or, pour into a glass to appear classy
- For Cocktails:
  - Follow the instructions included in your LOCAL Cocktail Kit
  - If you don't have a Cocktail Kit - call LOCAL ASAP!

### STEP THREE: Make Burgers

- Season the patties with your favourite seasoning. Just some good old S&P is recommended
- Toss those bad-boys on the grill
- Cook to your preferred done-ness

### STEP FOUR: Dress the Burgers

We aimed to make this super easy: equally divide the toppings onto each burger

### STEP FIVE: Presentation

- Start by asking your fellow diners for a drumroll, then dazzle them with your skills
